

PCL-PCLF Annual Symposium

Saturday, January 12, 2008

Symposium 9 AM – 5:30 PM & Banquet 6:30 PM – 8:30 PM
Sacramento Convention Center • 1400 J Street

Every year the Planning and Conservation League (PCL) and PCL Foundation host an annual environmental legislative symposium. This year is no different, but we've moved our event up by several months. On January 12, 2008, we hope you are able to join hundreds of environmental advocates, grassroots organizations, businesses, attorneys and policy-makers for what is sure to be a spectacular event. This event, arguably, is the most

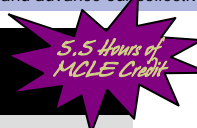

important environmental conference of the year in California.

The theme of this year's Symposium is "State of Change" because PCL feels strongly that each and every one of us can contribute to California and our environmental needs to bring about a state of change. Our panels, workshops and MCLE courses are sure to educate, inspire and advance our collective

collective environmental concerns. This event has 5.5 hours of MCLE credit approved by the State Bar of California.

To view the program or learn more about the event, venue, sponsorship opportunities or to register, visit our website at: www.PCL.org.

MCLE Panels

Awards Banquet

At PCL's Annual Environmental Legislative Symposium we pride ourselves on offering the best legal and policy information around. This year, in addition to our workshops for grassroots activists and policy makers, we're offering four continuing legal education courses totaling 5.5 hours of credit. Even if you're not an attorney, you'll want to keep "au courant" on the latest legal decisions and dicta. Our only edict: fulfill your fiduciary responsibilities today (i.e. register for the Symposium)!

Our 2008 MCLE panels include:

Impacts of New Water Projects

- David Sandino (Department of Water Resources)
- Hap Dunning (UC Davis School of Law)
- Jill Willis (Best Best & Krieger LLP)

Can Local Land Use Policies Reduce Greenhouse Gas Emissions?

- Sydney Coatsworth (EDAW)
- Steve Kostka (McCutchen, Doyle, Brown & Enersen)
- Terry Roberts (State Clearinghouse)

To Trade or Not to Trade: Pros and Cons of a Market-Based Regulatory Approach to Climate Change Mitigation

- Chuck Shulock (California Air Resources Board)
- Michael Wara (Stanford University)
- Jane Williams (California Communities Against Toxics)

Hot Topics in CEQA Litigation: Where are the Courts Heading?

- Susan Brandt-Hawley (Brandt-Hawley Law Group)
- Tamara Galanter (Shute, Mihaly & Weinberger LLP)
- Jim Moose (Remy, Thomas, Moose & Manley)

After the event we will be honoring several advocates for their indelible contributions to the environmental movement. Join us after the Symposium, at the annual Awards Banquet to honor: Assembly member Lois Wolk, Bill Center, Central Valley Air Quality Coalition, the Winnemem Wintu Tribe and PG&E.

Registration Fees

Your Symposium registration fee covers continental breakfast, lunch, refreshments, and all Symposium materials. Registration is as follows:

	2-for-1 Deals (Symposium & Banquet)	Symposium ONLY
PCL Member	\$125	\$105
Non-Member	\$140	\$120
Student	\$50	\$30
MCLE (5.5 hours)	\$295	\$275
Dinner Ticket		\$60

PCL and PCLF certify that this event has been approved for 5.5 MCLE credits by the State Bar of California. These credits include four panels, a plenary session, and two policy keynote addresses.

This event is co-sponsored by the Environmental Law Section of the California State Bar. Visit our website to see all of our Symposium Sponsors.
