WANTED: creative minds, out-of-the-box thinkers and problem solvers to green California's landscapes.

We recognize that now is the time to unite the experts, advocates and decision makers, and use our collective and individual ingenuity and creativity to unleash fresh solutions to remedy challenges facing our state, our environment, and our families.

The annual PCL and PCLF Symposium will provide you with solution-oriented discussions on pressing issues, like:

- Planning for the Effects of Global Warming**
- Transition Communities**
- The Pros & Cons of Desalination**
- Protecting Wildlife in an Uncertain Climate**
- How To... Find Common Ground**
