

2018 California Environmental Assembly Scholarship

Scholarship covers the full registration fee of \$75 which includes materials, breakfast, lunch and the post-assembly reception. The scholarship does not cover transportation or lodging. The Assembly is on February 24, 2018 at McGeorge School of Law in Sacramento.

We want to encourage people new to environmental work, looking to enter an environmental field, and dynamic new leaders in the field to attend and share your stories, interests, and expertise. **We are as well looking for youth panelists – check out our website for panel descriptions to see if there is a panel you are interested in participating in (pcl.org/assembly) and email us at events@pcl.org.**

To ensure consideration please apply as soon as possible as scholarships will be awarded on a first come first served basis.

To Apply: Please complete the applicant information requested below and answer one of the three essay questions. Send your completed application to events@pcl.org. You may copy and paste the form and your responses and essay below in your email body. If you have questions feel free to call us at (916) 822-5631.

Name: _____

Email address: _____

If you are a student, what school are you attending: _____

What is your major or area of interest: _____

Are you currently working in the environmental, environmental justice, or social justice fields? YES [] NO []

If yes, what organization/group are you working for? _____

[] Check here if you would like to be a mentor to a younger person or someone new to the field.

[] Check here if you would like a mentor for the day. A PCL board or staff member or a volunteer from one of the 100+ organizations attending will be available for you to shadow and speak with during the Assembly.

[] Check here if we have your permission to share your essay with others that day and in our online reports.

Essay Question: Please answer one of the following three questions. There are no right answers – we are looking for your interests and stories of inspiration. A short one-paragraph answer is perfectly fine.

Q1: What would you like to improve/change in the environment of your neighborhood or community?

Q2: What challenge are you taking on to make California or your community a better place to live and thrive?

Q3: What do you see as a challenge to be addressed to make California a better place for all to live in?
