

Mr. O'Connor is Chief Consultant to the California Senate Committee on Natural Resources and Water. In that role, he analysis all proposed water and Delta related legislation, organizes oversight and information hearings, prepares briefing papers on issues relating to water and Delta issues, and advises members of the Senate on California water policy issues. He has played a significant role in a number of legislative efforts, including the 2007 package of flood legislation, the 2009 water package, the Sustainable Groundwater Management Act, and most recently the Making Conservation a California Way of Life legislation. He has been with the Senate since January 2003.

Before coming to the Committee, Mr. O'Connor spent 10 years at the California Research Bureau (CRB), serving for six of those years as the Assistant Director for the Environment and Natural Resources. Mr. O'Connor did his undergraduate and masters studies in economics at CSU Sacramento.
