Wildlife Corridors Program

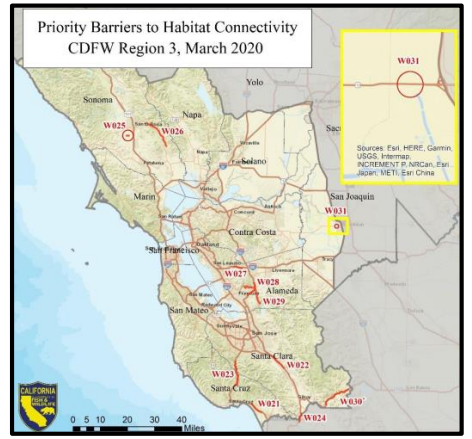
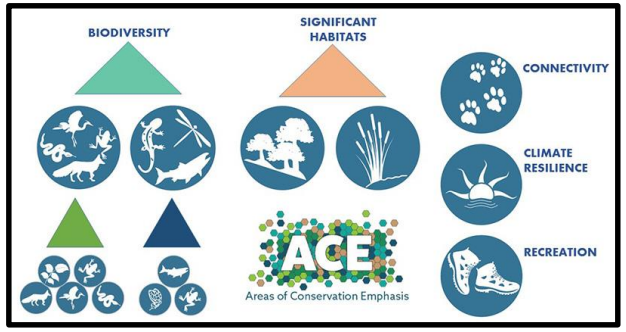
- Planning Projects
- Implementation Projects

Project Locations

CDFW Wildlife Movement Barrier Priority List



CDFW Areas of Conservation Emphasis (ACE)



Wildlife Corridors Program

Liberty Canyon Road Underpass

Agua Dulce Creek Culvert

Underpass Enhancement

9 of 16 projects
- 6 on CDFW priority list

Typical Projects
- Visual screens
- Improved mobility

Ease of implementation
- Minimal planning needs
- Limited CEQA review
- Low cost

Structural redesign
- Higher complexity

Pacheco Creek Under State Route 152

State Route 91 Blocked Culvert

Wildlife Corridors Program

Wallis Annenberg Overcrossing

Overpass Construction

7 of 16 projects

- 7 on CDFW priority list

"Gold Standard" of Wildlife Crossings

Greater complexity

- Detailed designs
- Extensive CEQA/NEPA review
- High cost

Earlier Stage of Development

- 5 planning projects
