

Marina Wiant

VP of Government Affairs, California Housing Consortium

Marina plans, directs, and coordinates all activities related to the development of CHC's policy positions, including interacting with government officials, testifying in legislative hearings, planning policy-related events, and preparing materials to inform CHC members, the media, and the public on issues related to the affordable housing industry. Prior to joining CHC, Marina worked as a legislative staffer in the California State Assembly and also interned with the Assembly Business, Professions, and Consumer Protection Committee.

Marina received her J.D. from Santa Clara University, with an emphasis in international law, and received her B.A. from UCLA, majoring in political science and minoring in Global Studies and Russian Language. She was admitted to the California State Bar in December 2010. She works in CHC's Sacramento office.
