Everyone's Bio's are available here. <https://www.pcl.org/events/assembly2023/>

09:57:49 From Chris Brown to Hosts and panelists:

Nice job moving through explanation to advocacy. you are a master, Kamyar. good ti see you.

10:03:38 From Kamyar Guivetchi - DWR to Chris Brown and all panelists:

Chris -- I appreciate the kind words -- good hearing from you.

10:21:48 From Dave Casey to Hosts and panelists:

Can/does recycled water from water treatment plants play a role in groundwater recharge?

10:28:56 From PCL Foundation to Roger Dickinson CivicWell(Direct Message):

Can/does recycled water from water treatment plants play a role in groundwater recharge?

10:29:16 From PCL Foundation to Roger Dickinson CivicWell(Direct Message):

Question form the chat for the panel

10:40:17 From Howard Penn to Everyone:

Just a reminder that you can find all the presentations and recordings of the videos at
<https://www.pcl.org/events/assembly2023/registantinfo/>
