10:55:08 From Howard Penn to PCL Foundation(Direct Message):

Johnnie, Let's wait and see if Matt keeps this format of asking questions around the panel. If he does, let's keep it in the gallery view and not speaker view. IF we don't do slide presentations then that would be a better display view. If we switch it, let's wait until it goes back to Matt for his next question.

10:56:12 From Jeff Venturino to Everyone:

Matt - <https://www.pcl.org/events/assembly2023/registantinfo-2/> near the bottom has a Word Doc download. Is that what you're looking for?
